Custom wallpaper order: \$250 per item; lead time 2 weeks plus transit (includes time for strike off)

Fabric \$25 or 20% of order, whichever is greater

Timing is subject to availability and will be quoted per order (generally 2-3 business days from receipt of order)

### Customization:

Wallpaper:

strike offs are highly recommended for most customizations (\$50 for wallpaper; \$75 for Type II and Grasscloth)

scale adjustment: falls under graphic design time (\$85/hour)

custom color matching: \$45 per color to match supplied color reference (paint chip, pantone, physical reference)

custom design: quoted on a project by project basis, highly dependent on the nature and complexity of the design  
for a custom design, allow 2 weeks plus transit for strike off, then 4 weeks plus transit for production

Fabric:

strike offs are highly recommended for most customizations (\$50 per strike off)

scale adjustment on an existing design: no charge unless strike off is requested

custom color way for an existing design: falls under color management/graphic design time \$85/hour

custom design: quoted on a project by project basis, highly dependent on the nature and complexity of the design  
for a custom design, allow 1.5 weeks plus transit for strike off, then 1.5 weeks plus transit for production
